If you want to have an amazing relationship, you have to know what it takes to make it last. Remember the 5 to 1 Ratio One of the oldest sexist cliches about women in relationships is that they will remember every single slight, mistake and argument, packing them away like a passive-aggressive squirrel burying hate-nuts for the winter... and pull them out at the worst possible moment during a fight.

Do you believe that you can live a creative life in any town? I believe in this 100 percent. As much of a love/dislike relationship I have with social media, if anything good comes out of it, it's about having a platform and a place to connect to a bigger network of people and resources, especially residing in a smaller city.
