Z Ze E Ze E

The Renault Z.E. (Z.E. stands for Zero Emission) is a line of all-electric cars from Renault. The line began with the Z.E series of concept cars. The first production car is the Renault Fluence Z.E. that is scheduled for sales to the public in Israel and Denmark by late 2011 [citation needed] as part of the Better Place network, operated by Renault Fluence ZE cars.

The genderqueer community are the primary proponents of ze. One refers to a person with ze and hir or zir typically (a) when their gender is unknown, and one wishes to avoid assuming their gender, or (b) when they are neither male nor female in gender, making he and she (and also either/or terms like s/he or (s)he) inappropriate and potentially ...

The Kangoo Z.E. comes with a six-metre charging cable as standard, while Renault offers charging-point installation options from partner firm Chargemaster. Renault quotes a 17-hour charge time from flat from a standard three-pin socket, or 11 hours from a wallbox and six hours from a 43kW public fast-charging station.
