From: Onlineessays.com. History of Philippine Cinema INTRODUCTION. The youngest of the Philippine arts, film has evolved to become the most popular of all the art forms. Introduced only in 1897, films have ranged from silent movies to talkies; black and white to color. Outpacing its predecessors by gaining public acceptance, from one end of the country to the other, its viewers come from ...

All relationships suffer tensions from time to time, especially those based on love-hate. Scientists have a complex relationship with their publishers — they love to get published in high-impact journals (most of which are run by major publishing companies) but hate the abuses of impact factors made by their own community in promotion and funding committees.
